Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

Please do not grant this rate increase. I live on a fixed income of \$1600.00 a month and suffer from a renal disease the medications for this cost me over \$600.00 a month, plus the bills for monthly doctor visits and several M.I.R.s a year. This leaves me with housing, food, insurance, utilities bills which I can barely pay for. If you grant this increase would you give me advice on what give up food or medications?

Thank you,
