**Subject:** RE: Tell the PSC Why They Need to Keep Your Power Bill Low

Good Afternoon, Dan Bach,

We will be placing your comments below in consumer correspondence in Docket 20210000, and the Office of Consumer Assistance and Outreach will be notified.

Sincerely,

*Hong Wang*

Office of Commission Clerk  
Florida Public Service Commission  
2540 Shumard Oak Blvd.  
Tallahassee, FL 32399-0850  
850-413-6770

*PLEASE NOTE: Florida has a very broad public records law. Most written communications to or from state officials regarding state business are considered to be public records and will be made available to the public and the media upon request. Therefore, your email message may be subject to public disclosure.*

Dear Commissioner

FPL's approved rate increase is still too high. Return on equity is too generous, should be in the 9 percent range. FPL does not need to put charging devices in the community. President Biden is doing that with his infrastructure plan. Look closely at what bonuses are given to senior employees as well as company earnings.  
FPL should not be allowed to have a rate increase.

Thank you,

Dan Bach
