Dear Commissioner

As I almost turn 57 as a permanently disabled individual owning a home I am concerned about the escalating price increase that FPL is asking for. They claim they are the lowest in the country but now I guess they want to go back on that by paying out bigger dividends to the stock holders. I simply cannot afford such an increase with my social security not meeting that yearly increase. I say heck no to FPL and Governor Disantis needs to do what is best for the individuals in this state and not FPL.

Thank you,

Steven Schlegel
