Dear Commissioner

Docket No. 20210015-EI

Members of the PSC it is imperative that you do not grant FPL a rate increase. Many people here are on fixed income and cannot pay the extra amount now. They run TV ads telling us that they have lowered the rates, when in fact they are asking to increase them. Don't allow them to act hypocritically and deny them this rate increase. Thank You for your time.
