Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

I feel that FPL's proposed settlement isn't enough for Floridas residents. This is based on many senior citizens that live in Florida. Due to our Social Security payments only Increasing a small percentage every year, it is becoming difficult for us all to pay our increasing electric bills, food and medication. Help our struggling seniors now and increase the

settlement.

Thank you,

Cecilia Brown
