Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

I do not feel a raise increase is necessary. This country was doomed by Trump and all intelligence thrown out the window. Trump was only good for corporations who constantly

take advantage of their customers. Why? I am retired and have bills to pay yet what starts off small quickly erupts into an overload of a monthly bill from FPL. Wish there were a Robin Hood as you'd be poor and people would be better off.

Thank you,

Paula Morgan
