Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

Ever since you came out with the commercial we are the lowest paying electric bills, i've seen an increase in every months bill. It is hard to make ends meet right now, but i'm trying my best. If you keep raising the rates more and more people will have to do like I do no a/c until bed time or raise the a/c. Less lights on maybe just 1 light, anything to try on our side to keep the bills down. Please stop advertising with the little girl because you and I both know that is not true.

Thank you,
Howard Rubin
