Subject: Fw: Tell the PSC Why They Need to Keep Your Power Bill Low

More importantly, FPL in this period of serious climate change issues, it is essential that they have their feet held to the fire to achieve carbon neutral goals.

Thank you,

Allan Thomas

Subject: Tell the PSC Why They Need to Keep Your Power Bill Low

Dear Commissioner

I am very upset that FPL seems to be once again avoiding its responsibilities by not announcing, and adhering to, carbon-neutral goals, and that they are getting off too easy in the settlement as proposed.

Thank you,

Allan Thomas
