Dear Commissioner

The American middle class is sinking! We can't afford to continue every businesses increases. Especially those on fixed incomes and living on Social Security alone.  
Ex: My insurance goes up 500.00 a year and I have to have a new roof , even though nothing wrong with my old one. So 14,000.00..I only make 1535.00 a month = 18,420.00 A YEAR!  
Plus food increases, RX increases, other Utility increases, Gas, Medical insurance on and on...I as many other JUST cannot live anymore.

Thank you,

Deborah Wilcoxson
