Dear Ms. Keating and Mr. Wright,

Re: Petition of Florida City Gas for Approval of Safety, Access, and Facility Enhancement Program True-Up and 2022 Cost Recovery Factors

By this letter, Commission staff requests that Florida City Gas (FGC or utility) provide responses to the following questions in the above referenced docket.

1. In paragraph 20 of the petition, the utility states it will provide a customer notice through the use of a bill message during a 30-day period advanced notice if the petition is approved, please provide a draft copy of the customer notice, or the anticipated notice language.
2. Please provide Attachment C to the petition, the SAFE Schedules 1 through 7, in Excel format with formulas intact.
3. Please confirm that by the end of 2021, 171.5 miles of mains will have been replaced leaving 82.8 miles to be replaced from 2022-2025.
4. Please confirm that by the end of 2021, 8,141 services will have been replaced with an additional 3,302 services to be replaced from 2022-2025.
5. Attachment B to the petition is a summary of the completed projects and projected projects to be completed by 2022. Please provide the costs incurred for the projects that have been completed for the petition period. Please also provide the estimated costs for each project that have yet to be completed.

6. Please explain the reasons why the factor is increasing from the current factor of \$1.84 to the proposed factor of \$3.17. In the explanation, please include reasons such as, costs of capital increases, labor shortages or labor rates increases, and any and all other factors that are impacting the increase.

Please file all responses electronically by October 6, 2020, via the Commission's website at www.floridapsc.com by selecting the Clerk's Office tab and electronic Filing Web Form. Please contact me at hforrest@psc.state.fl.us or at 850.413.6808 if you have any questions.

Sincerely,

/s/ Holly Forrest
