Commissioner Gabriella Passidomo,

I am writing as a concerned Florida resident and customer of Florida Power & Light (FPL). I received notification that FPL intends to increase rates for customers like me. I am urging you to rethink this decision and not increase our bills.

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks who may be on a fixed income or struggling to find work.

I urge you to reconsider this rate increase.

Commissioner Gabriella Passidomo,

I am a customer of FPL and I recently received notification that FPL intends to increase rates for customers like me. I am urging you to rethink this decision and not increase our bills. I do not find the justification for a rate increase sufficient at this time; FPL is a utility and makes sufficient profit to operate.
