### **Discussion of Issues**

**Issue 1:** Should the Commission suspend the Companies' proposed revised Swing Service Rider Rates and associated tariffs for the period January through December 2022?

**Recommendation:** Yes. Staff recommends that the Companies' proposed revised Swing Service Rider Rates and associated tariffs for the period January through December 2022 be suspended to allow staff sufficient time to review the petition and gather all pertinent information in order to present the Commission with an informed recommendation on the tariff proposals. (Guffey)

**Staff Analysis:** Staff recommends that the Companies' proposed revised Swing Service Rider Rates and associated tariffs for the period January through December 2022 be suspended to allow staff sufficient time to review the petition and gather all pertinent information in order to present the Commission with an informed recommendation on the tariff proposals.

Pursuant to Section 366.06(3), F.S., the Commission may withhold consent to the operation of all or any portion of a new rate schedule, delivering to the utility requesting such a change, a reason, or written statement of good cause for doing so within 60 days. Staff believes that the reason stated above is a good cause consistent with the requirement of Section 366.06(3), F.S.

**Issue 2:** Should this docket be closed?

**Recommendation:** No. This docket should remain open pending the Commission decision on the proposed revised tariffs. (Sandy)

**Staff Analysis:** This docket should remain open pending the Commission decision on the proposed revised tariffs.
