Subject: We Can't Afford Higher Rates from FPL

Commissioner Gabriella Passidomo,

I am a Florida resident and customer of Florida Power & Light (FPL) and I am sick and tired of the outrageous, unjust rate increases. I received notification that FPL intends to increase rates for customers like me. I am urging you to rethink this decision and not increase our bills.

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks who may be on a fixed income or struggling to find work.

I urge you to reconsider this rate increase.
