CONDITIONS OF USE

1. By accepting this Special Use Authorization, the authorized user(s) agrees to abide by all terms and conditions stated herein and Chapter 40B-9 F.A.C. This Special Use Authorization does not grant exclusive use of District lands and does not exclude the authorized user(s) from obtaining all necessary permits or authorization required by law to conduct the activity described in this Special Use Authorization.
2. By accepting this Special Use Authorization, the authorized user(s) understands and agrees that nothing under the terms of this Special Use Authorization or any use contemplated hereunder shall render the District liable for any claims or damages, including but not limited to, property damage, personal injury or death, resulting from the authorized user's activities on District-owned land. Further, the authorized user(s) agrees to defend, indemnify and hold harmless the District and all District agents, employees and officers from and against any and all liabilities, claims, damages, expenses, or actions, either at law or in equity, including attorney fees and costs and attorney fees and costs on appeal, caused or incurred, in whole or

in part, as a result of any act or omission by the authorized user, its members, agents, employees, subcontractors, assigns, heirs, invitees, guests or anyone for whose acts or omissions any of these persons or entities may be liable during the authorized user(s) use of and activities conducted on District owned land under the terms and conditions of this Special Use Authorization.

3. The authorized user(s) acknowledges that the property is open to the general public, unless otherwise stated in writing by the District, and at no time will the public be excluded from any portion of the property because of this Special Use Authorization. No property rights are granted to the authorized user by virtue of this Special Use Authorization.
4. The authorized user(s) acknowledges that District lands are wild, natural areas that pose certain risks due to the presence of poisonous plants, wild animals, changing weather conditions, rugged terrain, and other dangers.
5. Failure to comply with the terms of this authorization is a violation of Chapter 40B-9, Florida Administrative Code, and may lead to penalties including, but not limited to, authorization revocation. The District reserves the right to terminate, without cause, this Special Use Authorization at any time.
6. The authorized user(s) participating in the activities will not use, harass, threaten, or hunt any live animals. Any actions by the authorized user(s) that result in the harassment, endangerment or death of any wildlife will be grounds for immediate termination of this authorization.
7. The authorized user(s) will repair, at its own expense, any and all damage caused by its activities. The District will determine the extent of any damages and provide the authorized user with written notice that describes the damage and specifies the necessary repairs. The authorized user(s) will accomplish the specified repairs within twenty (20) days from the date of the District's written notice to the authorized user. If the authorized user(s) fails to make the specified repairs, the District may make the repairs and is entitled to receive reimbursement for the costs of such repairs from the authorized user(s). The authorized user agrees that all equipment or other items brought onto the tract shall be removed by authorized user at the end of the project.
8. The authorized user, its employees and contractors of SEARCH, Inc. must be adequately covered by insurance for all actions contemplated or conducted under this Authorization.
9. The authorized user(s) shall provide the District with a copy of all reports and maps of research and data collection on these sites for cultural resources within 30 days of submission of report to the Florida Department of State, Division of Historical Resources and Suwannee River Water Management District.
10. All aspects of User activities including, but not limited to, initial access shall be coordinated with Edwin McCook, Land Management Specialist, 386.647.3106, email—Edwin.McCook@srwmd.org.
