Issue 2: Should this docket be closed?

Recommendation: If the Commission approves staff's recommendation in Issue 1, the Companies timely file revised rates and tariffs meeting the conditions of the order, and a protest is filed within 21 days of the issuance of the order, the revised tariffs should remain in effect, with any revenues held subject to refund, pending resolution of the protest. If the Companies timely file revised rates and tariffs and no timely protest is filed, this docket should be closed upon the issuance of a consummating order.

If the Commission approves staff's recommendation in Issue 1, the Companies do not timely file revised rates and tariffs meeting the conditions of the order, and a protest is filed within 21 days of the issuance of the order, the rates and charges originally requested in the Companies' August 31, 2021, filing could be placed into effect, with any revenues held subject to refund, pending resolution of the protest.
