Marty,

It was a pleasure speaking to you this afternoon. Based on our call, I'd like to set forth my understanding of how your client would like to proceed in this docket.

Your client is still requesting an original certificate to operate a wastewater utility in Orange County, FL. However, the Commission will not consider any rate increases in this docket. Any rate increases will be handled in separate docket sometime in the future.

By all means let me know if I've missed something or mischaracterized your client's position. Otherwise, if you wouldn't mind replying in the affirmative I'll have your response placed in the docket file.

Regards,

Ryan
