**Re: Value-Added Communications, Inc. (TH088)
Notification of New Fictitious Name**

Dear Mr. Teitzman:

Value-Added Communications, Inc. (the "Company") respectfully submits this letter to notify the Florida Public Service Commission that the Company will operate under the new fictitious or doing business as ("DBA") name "ViaPath Technologies" in the state of Florida.

Enclosed is evidence of the fictitious name as registered with the Florida Department of State. Please note, the legal name of the Company has not changed.

Please update all Commission records to reflect the Company's new DBA name. The Company is in the process of submitting updated Change of Information on Regulated Utility forms to reflect the DBA name and updated contact information for the Company.

The Company offers inmate calling services to correctional facilities in Florida, which allow incarcerated individuals to initiate telephone calls to their friends and family outside of the correctional facility. The DBA is reflected on the Company's websites and interactive voice response ("IVR") system. Only a handful of the Company's customers receive regular monthly invoices (such as bail bondsmen, attorneys, etc.), and the DBA also is reflected on those invoices.

If you have any questions regarding this filing, please contact the undersigned.

Respectfully submitted,

/s/ Angela F. Collins
