¹ At the time Hurricane Sally impacted the service area formerly served by Gulf, and at the time the instant Petition was filed with the Commission, Gulf was a subsidiary of NextEra Energy, Inc. and operated as a ratemaking entity separate and distinct from Florida Power & Light Company. Gulf no longer exists as a corporate entity, and effective January 1, 2022, Gulf no longer exists as a separate ratemaking entity. However, the storm surcharge requested in this proceeding, to the extent approved by the Commission, will be applied to northwest Florida customers of Florida Power & Light Company. As a result, to avoid confusion, petitioner will continue to use the name of the former Gulf Power Company for filings made in this proceeding.
