Subject: Docket #20200226-SU

Hello,

My name is James Greenbaum. I am a Florida resident at 170 Kettle Harbor Drive, Placida, FL 33946.

I am very concerned about EU's application for a private wastewater service. I do not feel there is a need for this service. Furthermore, I never inquired, or requested any service like this. I take excellent care of my private septic system.

The owner of EU has no experience or expertise in this area of business, and this concerns me. He has not provided proof of financial security to take on such a project, causing even more concern. There is no evidence or reason for their rate structure, and no information provided by them regarding the structure of charges in the future.

It is my opinion that this project application should be denied. I am worried not only for myself, but for other residents as well.

James Greenbaum
