CUSTOMER COMMENTS

- ① Sewer district is more appropriate
- ② Typically water + sewer are the responsibility of the local political unit, as such Charlotte County should contract w/ the Utility & provide for the cost to be paid over 20 yrs. on the properties Tax bill
- ③ In EU's application, "loss of power" is not addressed
- ④ " " " , emergency service in the sewer lines in the right-of-way is not addressed.
- ⑤ Not addressed, what is the proposed monthly service fee?
- ⑥ Overall Charlotte County is abdicating IT's responsibility to L&I taxpayers. No bids were asked for. Charlotte County mandated sewers for the barrier islands, but is shirking the results of their mandate.
