Commissioner Gabriella Passidomo,

I am writing as a concerned Florida resident and customer of Florida Power & Light (FPL). I received notification that FPL intends to increase rates for customers like me. I am urging you to rethink this decision and not increase our bills.

This past year has been extremely challenging financially for many people in the state of Florida. A rate increase is the last thing we need, especially for vulnerable folks who may be on a fixed income or struggling to find work.

I urge you to reconsider this rate increase.

Good afternoon,

Do you hate the people of Northwest Florida? What you are allowing FPL to do to electric rates in NW FL, the poorest part of Florida is criminal.

I would like for each of you to call me so I can explain to you what life is like for people that do not have the kind of money you have.

Please and thank you.

Thanks,
MICHAEL EVANS
