Hi Phillip,

On 2/21/2022, Final Order PSC-2022-0095-FOF-WS (DN 01385-2022) acknowledged corporate reorganization and approved the name change to Florida Community Water Systems, Inc. (FCWS) on the following certificates:

654-W in Lake County from Black Bear Waterworks, Inc. (WU974);
339-W in Lake County from Brendenwood Waterworks, Inc. (WU968);
002-W in Brevard County from Brevard Waterworks, Inc. (WU965);
522-W and 565-S in Lake County from Harbor Waterworks, Inc. (WU956, SU957);
667-W and 507-S in Sumter County from Jumper Creek Utility Company (WS969);
531-W in Lake County from Lake Idlewild Utility Company (WU970);
567-W and 494-S in Lake County from Lakeside Waterworks, Inc. (WS962);
450-W in Lake County from Pine Harbour Waterworks, Inc. (WU978);
539-W in Lake County from Raintree Waterworks, Inc. (WU969); and
507-W and 441-S in Sumter County from The Woods Utility Company (WS965)

CLK has made all the requisite name changes to the company/utility information in MCD. However, after all of them were updated, it was noted that the company name, still has several different FEID numbers. Is FCWS retaining all the separate FEID numbers? If not, will the company all be merged into "one" new FEID number later? In looking at the Div of Corp website, it appears that FCWS has its own FEID number. However, there is nothing in the docket directing CLK to change all the FEID numbers to be the one that FCWS shows on Div of Corp's website.
