This is not the meter readers fault, It's Corporate

CUSTOMER COMMENTS

They need to stand up and help the consumer who can't drink this disgusting water & to pay over \$12 a gallon for 1000gals is crazy - this is the fourth raise this company has applied for and our commissioners just say "OK", YOU PAY for this water for 6 months & I guarantee you will stop this non sense.

I am to the point of just finishing my well & shut the water off. The water is free and you can actually drink it. My bill is \$38+ for 1000 gal - \$9 for 2000. CRAZY. I Am so angry over this crap - Our water should be \$2 a 1000 & that's the high side -
