CUSTOMER COMMENTS

So after a rate increase in 2021 HC Waterworks is proposing a 19.7% rate increase less than one year later. You have got to be kidding me. A large percentage of their customers are retirees like myself. Our incomes do not increase like that. This proposed hike is unjustified, absurd, and insulting.

Any email or other correspondence sent to a Florida Public Service Commissioner, or any other public official and/or employee of the PSC, in the transaction of public business is considered a public record and is subject to Florida's Public Records Law. This means that Florida law generally requires the PSC to provide a copy of any such email or correspondence, upon request, for inspection and copying to any Florida citizen or to any member of the media.
