Estimate #22-425752

February 15, 2022

Century

Attention: Bryan Altman  
Reference: Angler Cove Retention Pond Refurbish

We are pleased to submit our quotation for all safety, labor, equipment, and supervision for Refurbishing the banks of the retention pond around Sewage station. The existing chain link fence will be approximately 400 yards of fill imported and compacted around the banks of the sewage station. Once the banks have been rebuilt there will be Geocell ground Grid Pavers installed and filled with P Gravel for erosion control. There will be new sod installed in areas damaged by construction. This estimate does not include permitting, engineering, or inspection. Any unforeseen utility repairs or etc. needed once project starts will be charged in addition. All work is estimated to be completed Monday – Friday during daylight hours. All work performed will be to the work scope provided by Century.

**Total Price \$80,652.00**

Thank you for the opportunity to quote you on this project. If you have any questions please contact us.
