RE: CONFIDENTIALITY OF CERTAIN INFORMATION

DOCKET NO(s): 20220045-EI

DOCUMENT NO(s): 02215-2022

DESCRIPTION: FPL (Cox) - (CONFIDENTIAL) Information contained in exhibits and attachments provided in support of petition for determination of need for Sweatt-Whidden 230 kV transmission line in Okeechobee, DeSoto, Highlands, and Glades Counties.

SOURCE: Florida Power & Light

Pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code, Florida Power & Light Company (FPL or Company) requests confidential classification of certain information filed in FPL's petition, in the above referenced docket, dated April 1, 2022. The Company is claiming confidentiality of portions of Exhibit A to the petition and Exhibits FP-2 and FP-4 to the direct testimony of Francisco Prieto under Section 366.093(3)(c), F.S. Per the Statute, proprietary confidential business information includes, but is not limited to: Subsection (c) "Security measures, systems, or procedures." The information provided for which confidential treatment is being sought can be described as line loading descriptions, contingency event descriptions, load flow diagrams, maps of the existing facilities study area and maps of the alternative projects study areas.

Staff has reviewed the information FPL has filed, as well as its request for confidential classification. Staff believes the information that is the subject of this request meets the criteria for confidentiality contained in Section 366.093(3)(c), F.S.

The above confidential material was filed with a request for confidential classification. Please complete the following form by checking all applicable information and forward it to the attorney assigned to the docket, along with a brief memorandum supporting your recommendation.

- The document(s) is (are), in fact, what the utility asserts it (them) to be.
- The utility has provided enough details to perform a reasoned analysis of its request.
- The material has been received incident to an inquiry.
- The material is confidential business information because it includes:
 - (a) Trade secrets;
 - (b) Internal auditing controls and reports of internal auditors;
 - (c) Security measures, systems, or procedures;
 - (d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;
 - (e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of information;
 - (f) Employee personnel information unrelated to compensation, duties, qualifications, or responsibilities;
- The material appears to be confidential in nature and harm to the company or its ratepayers will result from public disclosure.
- The material appears not to be confidential in nature.
- The material is a periodic or recurring filing and each filing contains confidential information.

This response was prepared by Orlando Wooten on 4/26/2022, a copy of which has been sent to the Office of Commission Clerk and the Office of General Counsel.
