Docket No. 20210179-EI

Date: May 2, 2022

In re: Petition for limited proceeding for recovery of incremental storm restoration costs and associated true-up process related to Hurricane Zeta, by Gulf Power Company.

**FLORIDA POWER & LIGHT COMPANY AND GULF POWER COMPANY'S
NOTICE OF INTENT TO REQUEST CONFIDENTIAL CLASSIFICATION**

Pursuant to Florida Administrative Code ("F.A.C.") Rule 25-22.006(3)(a), Florida Power & Light Company ("FPL") and Gulf Power Company¹ ("Gulf") hereby file this Notice of Intent to Request Confidential Classification ("Notice"). This Notice relates to confidential information which the Office of Public Counsel ("OPC") has advised will be included within its direct testimony and exhibits of OPC witnesses Lane Kollen and Randy Futral to be filed today, May 2, 2022. Based upon communications with OPC, FPL reasonably anticipates that information contained in the direct testimony and exhibits of OPC's witnesses will include confidential information protected from public disclosure by Florida law, including but not limited to Rule 25-22.006, F.A.C., and Section 366.093, Florida Statutes. Pursuant to Rule 25- 22.006(3)(a) and (d),

¹ At the time Hurricane Sally and Hurricane Zeta impacted the service area formerly served by Gulf, and at the time the instant Petition was filed with the Commission, Gulf was a subsidiary of NextEra Energy, Inc. and operated as a ratemaking entity separate and distinct from Florida Power & Light Company. Gulf no longer exists as a corporate entity, and effective January 1, 2022, Gulf no longer exists as a separate ratemaking entity. However, the storm surcharge requested in this proceeding, to the extent approved by the Commission, will be applied to northwest Florida customers of Florida Power & Light Company. As a result, to avoid confusion, petitioner will continue to use the name of the former Gulf Power Company for filings made in this proceeding.

F.A.C., FPL requests confidential handling of the direct testimony and exhibits of OPC's witnesses. FPL will file its Request for Confidential Classification specifying those portions of the direct testimony and exhibits of OPC's witnesses which FPL asserts is entitled to confidential treatment within 21 days, as provided by Rule 25-22.006, F.A.C.

Respectfully submitted,

FLORIDA POWER & LIGHT COMPANY
GULF POWER COMPANY
