Docket No. 20220001-EI

Dated: May10, 2022

**DUKE ENERGY FLORIDA LLC'S
FIRST REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

Duke Energy Florida, LLC (“DEF” or “Company”), pursuant to Section 366.093, Florida Statutes (“F.S.”), and Rule 25-22.006, Florida Administrative Code (“F.A.C.”), submits its First Request for Extension of Confidential Classification (the “Request”) for certain information contained in the Florida Public Service Commission’s (FPSC) Final Order No. PSC-2020-0368-FOF-EI, issued on October 15, 2020. In support of this Request, DEF states:

1. On October 29, 2020, DEF filed a Request for Confidential Classification (document number 11617-2020), for certain information contained in the Final Order issued October 15, 2020, as it contains “proprietary confidential business information” under Section 366.093(3), Florida Statutes.

2. DEF’s October 29, 2020 Request was granted by Order No. PSC- 2020-0431-CFO-EI on November 10, 2020. The period of confidential treatment granted by that order will expire on May 10, 2022. The information continues to warrant treatment as “proprietary confidential business information within the meaning of Section 366.093(3), F.S. Accordingly, DEF is filing its First Request for Extension of Confidential Classification.

3. DEF submits that the confidential information contained in the Final Order issued on October 15, 2020, identified in Exhibit “A” and Exhibit “C” to the October 29, 2020, Request¹ continues to be “proprietary confidential business information” within the meaning of section 366.093(3), F.S. and continue to require confidential classification. *See* Affidavit of Reginald Anderson at ¶ 6, attached as Revised Exhibit “D”. This information is intended to be and is treated as confidential by the Company. The information has not been disclosed to the public. Pursuant to section 366.093(1), F.S., such materials are entitled to confidential treatment and are exempt from the disclosure provisions of the Public Records Act. *See* Affidavit of Reginald Anderson ¶¶ 5-6.

4. Nothing has changed since the issuance of Order No. PSC-2020-0431-CFO-EI to render the information stale or public such that continued confidential treatment would not be appropriate. Upon a finding by the Commission that this information continues to be “proprietary confidential business information,” it should continue to be treated as such for an additional period of at least 18 months and should be returned to DEF as soon as the information is no longer necessary for the Commission to conduct its business. *See* §366.093(4), F.S.

WHEREFORE, for the foregoing reasons, DEF respectfully requests that this Request for Extension of Confidential Classification be granted.

¹ DEF hereby incorporates Exhibits A, B, and C to the original Request, Document No. 11617-2020 submitted on October 29, 2020 in docket no. 20200001-EI as if attached hereto

RESPECTFULLY SUBMITTED this 10th day of May, 2022.

Docket No. 20220001-

EI Dated: May 10, 2022

**AFFIDAVIT OF REGINALD ANDERSON IN SUPPORT OF
DUKE ENERGY FLORIDA'S
REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION**

STATE OF FLORIDA

COUNTY OF PINELLAS

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Reginald Anderson, who being first duly sworn, on oath deposes and says that:

1. My name is Reginald Anderson. I am over the age of 18 years old, and I have been authorized by Duke Energy Florida (hereinafter "DEF" or the "Company") to give this affidavit in the above-styled proceeding on DEF's behalf and in support of DEF's Request for Confidential Classification (the "Request"). The facts attested to in my affidavit are based upon my personal knowledge.

2. I am the Vice President of Regulated & Renewable Energy Florida. I am responsible for the overall leadership and strategic direction of DEF's power generation fleet. My major duties and responsibilities include strategic and tactical planning to operate and maintain DEF's non-nuclear generation fleet; generation fleet project and additions recommendations; major maintenance programs; outage and project management; retirement of generation facilities; asset allocation; workforce planning and staffing; organizational alignment and design; continuous business improvements; retention and inclusion; succession planning;

and oversight of hundreds of employees and hundreds of millions of dollars in assets and capital and O&M budgets.

4. DEF is seeking an extension of confidential classification for certain information contained in the Florida Public Service Commission's (FPSC) Final Order No. PSC-2020-0368-FOF-EI, issued on October 15, 2020, filed on October 29, 2020 in docket number 20200001-EI. There are no changes to the information contained in DEF's confidential Exhibit A, redacted Exhibit B, and justification matrix C. The referenced Exhibits are on file with the Clerk. DEF is requesting an extension of confidential classification of this information because it contains sensitive business information, the disclosure of which would impair the Company's competitive business interests.

5. The confidential information at issue is confidential proprietary information. The Final Order contains confidential information of both DEF and third-party companies, the disclosure of which would impair the Company's competitive business interests and efforts to contract for goods or services on favorable terms. DEF has not publicly disclosed the information. Without DEF's measures to maintain the confidentiality of this sensitive business information, DEF's ability to contract with third parties could detrimentally impact DEF's ability to negotiate favorable contracts, thereby harming its competitive interests, ultimately to its customers' detriment.

6. Upon receipt of its own confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided, including restricting access to those persons who need the information to assist the Company, and restricting the number of, and access to the information and contracts. At no time

since receiving the information in question has the Company publicly disclosed that information.

The Company has treated and continues to treat the information at issue as confidential.

7. This concludes my affidavit.

Further affiant sayeth not.

Dated the 14th day of April, 2022.
