Re: Docket No. 20220070-EQ -- Petition for approval of revisions to standard offer contract and rate schedule COG-2, by Tampa Electric Company.

Dear Mr. Means:

Please provide the information requested below regarding Tampa Electric Company (TECO) to the Office of Commission Clerk by **May 18, 2022**.

1. Please refer to schedules 8 and 9 of TECO's 2022 Ten-Year Site Plan. Please explain why TECO chose to use the reciprocating engine with the scheduled in-service date of January 2028 for its avoided unit in the Standard Offer Contract instead of the reciprocating engine with an earlier scheduled in-service date of December 2025.

Please file all responses electronically no later than **May 18, 2022**, via the Commission's website at www.floridapsc.com, by selecting the Clerk's Office tab and Electronic Filing Web Form (reference Docket No. 20220070-EQ). If you have any questions, please contact Donald Phillips by phone at (850) 413-6974 or by email at DPhillip@psc.state.fl.us.
