

Notice of Variance or Waiver

PUBLIC SERVICE COMMISSION

RULE NO.: RULE TITLE:
25-6.078 Schedule of Charges

NOTICE IS HEREBY GIVEN by the Florida Public Service Commission that Florida Power & Light Company's (FPL) petition filed on January 7, 2022, seeking a temporary waiver of Rule 25-6.078(3), Florida Administrative Code, in Commission Docket No. 20220012-EI, was addressed by Order No. PSC-2022-0062-PAA-EI, issued February 17, 2022, and consummated by Order No. PSC-2022-0191-FOF-EI, issued May 23, 2022. Rule 25-6.078(3), F.A.C., addresses contributions-in-aid-of-construction for installation of electric underground facilities in new residential subdivisions and requires an investor-owned utility to file its written policy and supporting data and analyses at least once every three years. Pursuant to Section 120.542, Florida Statutes, FPL's petition was approved on the basis that FPL demonstrated that the purpose of the underlying statutes would be achieved by the deferred filing deadline and that strict application of the rule would create substantial hardship under the circumstances described in FPL's petition. Notice of the petition was published in the Florida Administrative Register on January 11, 2022.

A copy of the Orders may be obtained from the Office of the Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, (850)413-6770.
