PSC Staff and Commissioners,  
We are residents of Don Pedro Island at 150 Kettle Harbor Drive. We are requesting that you follow the staff recommendation to deny the application for sewers on our Islands by EU.  
Please be aware that we recently replaced our septic system and fall under the county regulations that require the health department to do five year inspections.  
We appreciate your detailed due diligence in this matter.  
Sincerely,  
Richard and Kathleen Sadenwater
