COMPLAINT INFORMATION

Complaint: Other Complaint against Florida Power & Light Company

Details:

I'm a net metering customer, and FPL initiated and additional base charge on my account. That is unacceptable and too high of a charge. If fpl could guaranty i would be refunded the 10.8 kwh at end of year. I wouldn't have a problem. I found out with Gulf power that was not the case, and received less than .01 a kwh. 8.00 on 200 kwh sold back. This base charge is higher than what i paid as a regular customer.
