CLERK

Dear Mr. Rendell:

Re: Docket No. 20220099-WS – Application for staff-assisted rate case in Highlands County LP Waterworks for increased water rates only.

Staff has completed its review and has determined that LP Waterworks, Inc. (LP or utility) is eligible for a staff-assisted rate case (SARC). The filing fee for this rate case is \$1,000 based on the capacity of the utility's system as provided by Section 367.145(2), Florida Statutes (F.S.) and Rule 25-30.020(2)(f), Florida Administrative Code (F.A.C.). The filing fee was received with the application. The official filing date for this rate case is July 15, 2022.

Please forward a copy of LP's application for a SARC to the Chief Executive Officer of Highlands County. This is required by Section 367.091(2), F.S., which states:

Upon filing an application for new rates, the utility shall mail a copy of the application to the chief executive officer of the governing body of each county within the service areas included in the rate request. The governing body may petition the commission for leave to intervene in the rate change proceeding, and the commission shall grant intervenor status to any governing body that files a petition.

Please file an affidavit stating that this requirement has been fulfilled. The affidavit should be sent to the address below. Please include the docket number (20220099-WS).
