VIA Electronic Filing to the Office of Commission Clerk

Florida Public Service Commission  
Office of Commission Clerk  
2540 Shumard Oak Boulevard  
Tallahassee, FL 32399-0850  
Attn: Ms. Melinda Watts

**Re: Docket No. 20220063-WS - Application for transfer of water and wastewater facilities of Tradewinds Utilities, Inc., water Certificate No. 405-W, and wastewater Certificate No. 342-S to CSWR-Florida Utility Operating Company, LLC, in Marion County.**

Dear Ms. Watts:

On behalf of CSWR-Florida Utility Operating Company, LLC (“CSWR-Florida UOC”), the following are the company’s responses to the Commission’s May 16, 2022 deficiency letter:

- 1. Notice of Application.** Rule 25-30.030(6), Florida Administrative Code, (F.A.C.), incorporated by reference in Rule 25-30.037(2)(b), F.A.C., states that all applications requiring noticing shall be deemed deficient until affidavits of noticing required by Sections 367.045(1)(e) and (2)(f), Florida Statutes, along with a copy of the notice, are filed with the Office of Commission Clerk. After staff has reviewed and approved the notice of application, and the notices have been distributed in accordance with Rule 25-30.030(5), F.A.C., please provide affidavits of noticing.

**Response:** Application Exhibit O is a proposed draft notice, which has not yet been approved by staff. When the form of the notice is approved by staff and an entities list provided, CSWR-Florida UOC will distribute and publish the notices and then provide affidavits of noticing as required by rule.

2. **Seller Information.** Rule 25-30.037(2)(c), F.A.C., requires the applicant provide the (certificated name, address, telephone number, certificate number(s), authorized representative, and, if available, email address and fax number of the utility/seller. The street and mailing addresses, as well as the Seller's telephone number, do not match the Florida Public Service Commission's (Commission) records. Please provide the correct information for this Utility.

**Response:** Please see the information requested as follows:

Charles deMenzes, President  
Tradewinds Utilities, Inc.  
12601 SE Sunset Harbor Rd.  
Weirsdale, FL 32195  
Phone: 352-843-7790  
Fax: 352-732-4366  
Email: charlie@altfo.com

3. **Legal Description.** Rule 25-30.037(2)(n), F.A.C., requires a legal description of the proposed service area in the format prescribed in Rule 25-30.029, F.A.C. Based on staffs' review of the following orders, the legal description provided does not appear to be correct:
  - a. Order No. 12184, issued July 1, 1983, in Docket No. 19830110-WS;
  - b. Order No. 13238, issued April 27, 1984, in Docket No. 19840088-WU;
  - c. Order No. PSC-98-0484-FOF-WS, issued April 6, 1998, in Docket No. 19971174-WS;  
and
  - d. Order No. PSC-10-0020-FOF-WS, issued November 7, 2010, in Docket No. 20090417-WS.

Additionally, the presence of an amendment order that pertains only to the water certificate indicates that the water and wastewater service territories are not identical. Please verify the water and wastewater service territories currently being served and provide corresponding water and wastewater legal descriptions and service territory maps.

Finally, please obtain from the Seller the list of addresses currently connected to the Utility's water and wastewater systems and provide this list to staff.

**Response:** The Seller advises that to their knowledge the water service territory described on Application Exhibit G (Application PDF page 86 of 357) is correct. The wastewater tariff page containing the description of territory served was inadvertently omitted and has been attached to this response as a supplement to Application Exhibit G. The water and wastewater service areas as shown on those tariff pages are the same. To any extent the service areas are incorrectly identified or require revision, CSWR-Florida UOC will work

with staff to make any corrections needed. A map of the water and wastewater service area, as presently understood, is included in the Application as Exhibit C to the Purchase & Sale Agreement (Application PDF page 44 of 357). Attached to this response letter is a list of addresses currently connected to the Utility's water and wastewater systems that was provided by the Seller.

Thank you for the opportunity to provide additional information in support of the application. Please feel free to contact our office at your convenience with any additional questions or concerns.

Sincerely,

*/s/ Thomas A. Crabb*
