Subject: FP&L Minimum Bill

Good Morning

I am writing to register a formal complaint regarding FPL's "Minimum Bill" that the FPSC agreed to allow. This is an outrageous increase of 300% in my bill.

I do not see how such a large increase could possibly be justified. A 10 or 20% increase would be bad enough.

I live on a fixed income and this increase means hundreds of dollars per year out of my already strained budget.

Please reconsider this provision as it is poor policy and reflects poorly on the FPSC.

Thank you.
