DOCKET NO. 20190140-EI
ORDER NO. PSC-2022-0230-CFO-EI
ISSUED: June 27, 2022

ORDER GRANTING DUKE ENERGY FLORIDA, LLC'S FIRST
REQUEST FOR EXTENSION OF CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 02693-2020, X-REF. 02723-2020 AND 02830-2020)

On April 4, 2022, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Duke Energy Florida, LLC (DEF) filed its First Request for Extension of Confidential Classification (Request) of portions of its responses to the Office of Public Counsel's (OPC) First Request to Produce Documents Nos. 1-13 and First Set of Interrogatories Nos. 1-25 served on May 20, 2020, referred to collectively as Exhibit A (Document Nos. 02693-2020). DEF subsequently served Supplemental Exhibit A on May 22, 2020, and Second Supplemental Exhibit A on May 29, 2020 (Document Nos. 02723-2020 and 02830-2020). These materials were originally granted confidential classification by Order No. PSC-2020-0356-CFO-EI, issued October 9, 2020.

Request for Confidential Classification

DEF contends that the information contained in portions of its responses to OPC's First Request to Produce Documents Nos. 1-13 and First Set of Interrogatories Nos. 1-25, Exhibit A, Supplemental Exhibit A and Second Supplemental Exhibit A, more specifically described in Exhibit C to its Request, continues to constitute proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. DEF asserts that this information is intended to be and is treated by DEF as private and has not been publicly disclosed.

The information contained in DEF's responses to OPC's First Request to Produce Documents Nos. 1-13 and First Set of Interrogatories Nos. 1-25, Exhibit A, Supplemental Exhibit A and Second Supplemental Exhibit A, consists of competitive business information of both DEF and third party companies as well as bid proposals and contractual obligations of Accelerated Decommissioning Partners CR3, LLC (ADP CR3) and Accelerated Decommissioning Partners SFI, LLC (ADP SFI). DEF states that this material is both proprietary to DEF and is subject to non-disclosure agreements with both ADP CR3 and ADP SFI. Disclosure of this information would severely limit DEF's ability to secure similar services in the future at the lowest possible price. For that reason, DEF argues that this information is protected by Sections 366.093(3)(d) and (e), F.S.

Ruling

Section 366.093(1), F.S., provides that records the Florida Public Service Commission (Commission) has found to contain proprietary business information shall be kept confidential and shall be exempt from Chapter 119, F.S. Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Section 366.093(3), F.S., provides that proprietary confidential business information includes, but is not limited to:

(d) Information concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms.

(e) Information relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.

Upon review, it appears the above-referenced information continues to satisfy the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information contained in DEF's responses contained in Exhibit A, Supplemental Exhibit A and Second Supplemental Exhibit A, if disclosed, could adversely impact DEF's competitive interests as well as the competitive interests of its vendors. Thus, the information identified in Document No. 02693-2020, x-ref. 02723-2020 and 02830-2020, shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless DEF or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is hereby

ORDERED by Commissioner Mike La Rosa, as Prehearing Officer, that Duke Energy Florida, LLC's Request for Confidential Classification of Document No. 02693-2020, x-ref. 02723-2020 and 02830-2020), is granted, as set forth herein. It is further

ORDERED that the information in Document No. 02693-2020, x-ref. 02723-2020 and 02830-2020, for which confidential classification has been granted, shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Mike La Rosa, as Prehearing Officer, this 27th day of June, 2022.
