COMPLAINT INFORMATION

Complaint: Other Complaint against Florida Power & Light Company

Details:

FPL was charging 8.99 for the Connection and they increased Base charge of 16 dollars because we have solar , why we need to pay that , we opted for solar because we want to decrease the Power charges not pay more .if I am not using any power from them, how they can charge me more. This is discriminatory and Hutring people and looting money from the customers.
