Re: *BellSouth Telecommunications, LLC d/b/a AT&T Florida v. Duke Energy Florida, LLC,
Proceeding No. 20-276, Bureau ID No. EB-20-MD-003*

Dear Ms. Dortch:

Enclosed for filing is the **confidential version** of Duke Energy Florida, LLC's ("DEF") Petition for Reconsideration ("Petition") of the Enforcement Bureau's August 27, 2021 Memorandum Opinion and Order. In accordance with Section 1.734(b) of the Commission's rules, DEF has also filed a public version of its Petition using the Commission's Electronic Comment Filing System.

Pursuant to Section 1.731(a) of the Commission's rules, DEF requests confidential treatment of certain information marked with a red box ("Designated Information") within its Petition. In conjunction with DEF's initial interrogatory responses, answer to AT&T's pole attachment complaint, supplemental interrogatory responses, and supplemental briefing required by the Enforcement Bureau's March 8, 2021 letter, as well as in DEF's December 22, 2020 supplemental request for confidential treatment of certain materials, DEF previously designated and sought confidential treatment of certain categories of information. The Designated Information does not contain any information for which confidential treatment has not already been applied for during this proceeding.

Accordingly, DEF hereby incorporates its prior applications for confidential treatment as the basis for this confidentiality request, and DEF respectfully requests that the Commission provide confidential treatment to all Designated Information within DEF's Petition. Please note that the Designated Information has been redacted from the public version of DEF's Petition.

Very truly yours,

A handwritten signature in blue ink, appearing to read "E. Langley".
