RE: Docket No. 20220049-EI - Request to Return Document Nos. 03473-2022 and 04181-2022

On July 8, 2022, Florida Public Utilities Company (FPUC) filed a letter advising that confidential Document Nos. 03314-2022 and 03473-2022 are redundant and requested that one of them be returned. Staff reviewed both documents and agrees that there is redundancy between the two documents. As a result, staff requests that Document No. 03473-2022 be returned to FPUC.

Additionally, FPUC filed Document No. 04181-2022 on June 21, 2022. However, staff notified FPUC that this document was missing one of the confidential pages. As a result, FPUC filed Document No. 04400-2022, on June 30, 2022, which is the complete document. Therefore, staff also requests that Document No. 04181-2022 be returned to FPUC.
