Mr. Adam Teitzman, Clerk
Director, Division of Commission Clerk and Administrative Services
Florida Public Service Commission

Re: Docket No. 20220074-TP - 2023 State certification under 47 C.F.R. §54.313 and §54.314, annual reporting requirements for high-cost recipients and certification of support for eligible telecommunications carriers

Dear Mr. Teitzman:

This letter is to request that the Florida Public Service Commission ("Commission") submit a letter to the Federal Communications Commission ("FCC") and the Universal Service Administrative Company ("USAC") certifying that AT&T Florida is in compliance with all provisions of Section 254(e) of the Telecommunications Act.

The amount of federal high-cost support AT&T Florida received in 2021 was used for the services and functionalities outlined in 47 C.F.R. §54.101(a) and, as the attached affidavit shows, AT&T Florida certifies that it only used the federal high cost support it received for the provision, maintenance, and upgrading of facilities and services for which such support is intended.

AT&T Florida respectfully requests that the Commission accept this letter and the updated attached affidavit as self-certification that AT&T Florida is in compliance with 47 U.S.C. § 254(e) and issue a letter to the FCC and USAC certifying that AT&T Florida used its high-cost support in the preceding year (2021) in compliance with Section 254(e) of the Act.

If you have any questions concerning this matter please call me to discuss. I can be reached at 850-577-5500.

Sincerely,

Casey Reed
Vice President – Governmental Affairs and Policy
