**Subject:** Notification of Unaccepted E-filing (E-filing ID = 30575)

The document presented has been reviewed by the Office of Commission Clerk and has not been accepted as an e-filing per phone conversation. The petition and certificate of service both need to include a signature. As it was noted that the signatures were missing from the original filing as well, the cover letter should indicate that this current filing is replacing previously filed DN 02754-2022 in its entirety.
