COMPLAINT INFORMATION

Complaint: Other Complaint against
Details:

The take over off Gulf Power (GP) by FPL has resulted in a higher bills for most residents of this area. I have solar power and under GP my bill was approx. \$20.00. Now, under FPL my bill has increased to \$30.00, an increase of 50%. I believe this increase is because FPL does not want to make solar attractive or affordable to the average homeowner.
