

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

IN RE: Application for certificate to provide DOCKET NO. 20200226-SU
Wastewater service in Charlotte County, by
Environmental Utilities, LLC /

**LINDA COTHERMAN’S RESPONSE TO ENVIRONMENTAL UTILITIES, LLC’S
REQUEST FOR ORAL ARGUMENT ON ITS MOTION FOR RECONSIDERATION**

Linda Cotherman, Party of Record, hereby files this response to Environmental Utilities, LLC’s (EU) Request for Oral Argument on its Motion for Reconsideration of Order No. PSC 2022-0267-FOF-SU filed on July 22nd, 2022, and respectfully requests denial. In support, Linda Cotherman states:

1. Oral arguments, as proposed by EU, would constitute a re-litigation of 16 months of submittals, analysis and summarizing of testimony and evidence in this docket.
2. EU had sufficient time and opportunity to clarify their interpretations of any arguments or documents contained within the docket prior to the closing of the record on February 8th, 2022.
3. The pleadings are sufficient on their face for the Commission to render a decision on the Motion for Reconsideration.
4. EU should not be given further opportunity in oral arguments to use the Charlotte County letter that was submitted subsequent to both the closing of the record and the posting of the final Order.
5. It would be an undue burden of time and expense to the other Parties of Record to appear before the Commission for Oral Arguments in a case that has already been decided.

WHEREFORE, based on the facts and arguments set forth herein, for this and all of the reasons indicated above the PSC should deny Environmental Utilities, LLC’S

Request for Oral Argument on its Motion for Reconsideration of Order No. PSC 2022-0267-FOF-SU.
