RE: Docket No. 20221123-GU: Petition for approval of transportation service agreement to reflect expansion of St. Cloud by Florida Public Utilities Company and Peninsula Pipeline Company, Inc.
Request for Confidential Classification for Document No. 04517-2022

On July 6, 2022 Peninsula Pipeline Company, Inc. (Peninsula) filed a request for confidential classification for Document No. 04517-2022. This document contains information in Exhibit A to its transportation service agreement (which is Attachment A to the petition) with Florida Public Utilities Company (FPUC). The confidential information is related to total maximum daily transportation quantity and the monthly reservation charge. Staff reviewed the document and concurs with Peninsula that the nature of the information meets the requirements set forth in Sections 366.093(3)(d) and (e), Florida Statutes, whereby disclosure of the information would harm the competitive business operations of both Peninsula and FPUC.

Therefore, staff recommends that the request by Peninsula for confidential classification of Document No. 04517-2022 be approved.
