ORDER ON PROCEDURE

I. Case Background

On August 12, 2022, Duke Energy Florida, LLC (DEF) filed a petition for a limited proceeding to implement the return on equity (ROE) trigger provisions in Paragraph 2(b) of the 2021 Settlement Agreement approved by the Commission by Order No. PSC-2021-0202-AS-EI, issued June 4, 2021.<sup>1</sup> DEF requests, as specified in the 2021 Agreement, that: (1) the “Trigger Effective Date” as that term is defined in its 2021 Settlement Agreement be set at August 1, 2022; (2) its current authorized ROE be increased by 25 basis points to be within a range of 9.10 percent to 11.10 percent with a mid-point of 10.10 percent, effective August 1, 2022; (3) its AFUDC rate be set at 6.20 percent for 2022 and 6.26 percent for 2023 and 2024; (4) its base rates be increased as stated in Exhibit E to its petition to generate additional annual revenues in the amount of \$24.4 million effective as of the first billing cycle of January 2023; and (5) Commission staff be given the administrative authority to approve tariffs implementing these base rate increases.

Section 2(b) of the 2021 Settlement Agreement provides that the Commission shall approve DEF’s verified request for an equal percentage rate increase to recover the designated revenue requirement within 60 days following the filing of the Petition, and such rates will be effective with the first billing cycle following Commission approval.

To promote transparency and access to this proceeding, the Office of Public Counsel, Florida Industrial Power Users Group, PCS Phosphate White Springs, and Nucor Steel Florida, Inc., who were all signatories to the 2021 Agreement, shall be parties to this docket.

This Order is issued pursuant to the authority granted by Rule 28-106.211, Florida Administrative Code (F.A.C.), which provides that the presiding officer before whom a case is pending may issue any orders necessary to effectuate discovery, prevent delay, and promote the just, speedy, and inexpensive determination of all aspects of the case. Therefore, any party wishing to use any proprietary confidential business information, as that term is defined in Section 366.093, F.S., at the hearing shall adhere to the following:

- (1) When confidential information is used in the hearing that has not been filed as prefiled testimony or prefiled exhibits, parties must have copies for the Commissioners, necessary staff, and the court reporter, in red envelopes clearly marked with the nature of the contents and with the confidential information highlighted. Any party wishing to examine the confidential material that is not subject to an order granting confidentiality shall be provided a copy in the same fashion as provided to the Commissioners, subject to execution of any appropriate protective agreement with the owner of the material.
- (2) Counsel and witnesses are cautioned to avoid verbalizing confidential information in such a way that would compromise confidentiality. Therefore, confidential information should be presented by written exhibit when reasonably possible.

At the conclusion of that portion of the hearing that involves confidential information, all copies of confidential exhibits shall be returned to the proffering party. If a confidential exhibit has been admitted into evidence, the copy provided to the court reporter shall be retained in the Office of Commission Clerk's confidential files. If such material is admitted into the evidentiary record at hearing and is not otherwise subject to a request for confidential classification filed with the Commission, the source of the information must file a request for confidential classification of the information within 21 days of the conclusion of the hearing, as set forth in Rule 25-22.006(8)(b), F.A.C., if continued confidentiality of the information is to be maintained.

### III. Hearing Procedures

The purpose of this hearing is for the Commission to take oral and written evidence or argument regarding the approval of DEF's Petition for a limited proceeding to implement the

ROE trigger provisions of the 2021 Settlement Agreement. The issues to be considered at the hearing are as follows:

1. Should DEF's authorized ROE and range of returns on equity be revised due to the trigger provisions of the 2021 Settlement Agreement effective as of August 1, 2022?
2. Should DEF's proposed AFUDC rates of 6.20% for 2022 and 6.26% for 2023 and 2024, as found in Exhibit C to the Petition, be approved?
3. What is the appropriate annual base revenue increase associated with the trigger provision of the 2021 Settlement Agreement?
4. Should DEF's base rates be increased to reflect the trigger provisions of the 2021 Settlement Agreement effective as of the first billing cycle of January 2023?
5. Should Commission staff be given authority to administratively approve tariff sheets that will effectuate the January 2023 proposed increase?
6. Should this docket be closed?

The hearing agenda for October 4, 2022, will include the following:

- 1) Parties present Opening Statements of no more than five minutes per party;
- 2) Parties present evidence and respond to questions from Commissioners regarding the Petition.

Upon the admission of all testimony and evidence, and completion of the Commission's questions at hearing, the hearing record will be closed. At that time, the Commission may render a bench decision, provided all parties are willing to waive filing of post-hearing briefs. If a bench decision is not made, the Commission will render a decision during an Agenda Conference, date and time to be determined. Briefs, if any, will be due October 18, 2022.

The Commission has jurisdiction in this matter pursuant to Chapters 120 and 366, F.S., and is proceeding under its authority under Sections 366.04, 366.05, 366.06, and 120.57, F.S.
