Florida Public Service Commission Clerk,

Re: 20220067-GU

I am writing as a concerned Florida resident (Escambia County) and a natural gas customer. I received notification that my natural gas supplier intends to increase rates for customers like me. I am urging you to rethink this decision and not increase our bills.

This past year has been extremely challenging financially for many people in the state of Florida, especially in Escambia County where you recently approved a large rate increase for FPL. A rate increase is the last thing we need, especially for vulnerable folks who may be on a fixed income or struggling to recover financially from the pandemic. We are all inundated with price increases on everything.

I urge you to reconsider this rate increase at this time.
