Florida Public Service Commission Clerk,

Re: 20220067-GU

I am writing as a concerned Florida resident and a natural gas customer. I received notification that my natural gas supplier intends to increase rates for customers like me. I am urging you to rethink this decision and not increase our bills.

We are struggling to keep up with all the higher costs of living from the last couple years. Please don't add to our burden.

I urge you to reconsider this rate increase at this time.
