Re: Southwest Ocala Utility, Inc.; Tariff Revision

Dear Andrew,

Southwest Ocala Utility, Inc. is anticipating the possible addition of some larger meter size multifamily residential or general service customers. The utility's current tariffs only have meter sizes up to 6". As such, the utility is attaching revised tariff sheets that have been modified in order to reflect the larger meter sizes and base facility charges for those larger meter sizes calculated based on application of the AWWA meter equivalents as contained in Commission Rule 25-30.055, FAC.

Please approve these revised tariffs as soon as possible and return them to me. If you have any questions, please let me know.

Sincerely,

A handwritten signature in cursive script that reads "Marty Deterding /brf".
