Complaint: Delay in Service against Florida Power & Light Company

Details:

Please STOP FPL. No more rate increases ! We are on a fixed income ,already not comfortable in our home ,trying to be able to afford their utilities. We both have breathing problems as well as many other medical issues. I am 70 years old and he is 65. Can't afford very much food. Help the seniors before people start dying of excess heat or cold in winter. NO MORE RATE INCREASE. FPL is screwing over people.
