Re: Docket No. 20220143-EI; Duke Energy Florida, LLC's Petition for a limited proceeding to implement return on equity trigger provision of 2021 Settlement Agreement

Dear Mr. Teitzman:

On September 9, 2022, the Office of Public Counsel (OPC) served a Notice of Intervention in this docket. Staff counsel subsequently advised that intervention had been preemptively granted by virtue of Order No. PSC-2022-0311-PCO-EI. This order granted party status in this docket to signatories to the 2021 Settlement Agreement, approved in Order No. PSC-2021-0202A-AS-EI, which is the authority upon which the Duke Energy Florida ROE Trigger rate adjustment is based. Accordingly, the OPC withdraws the Notice of Intervention as being moot and asks that you reflect as much in your files.

I apologize for any confusion. Please do not hesitate to call with any questions

Sincerely,

S/Charles J. Rehwinkel
